PRODUCT DESCRIPTION

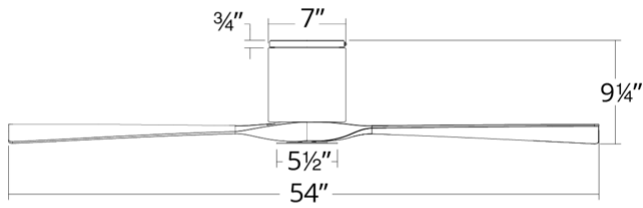

Inspired by the golden age of flying, this smart fan takes technology to the next level. Pair it with the Bluetooth remote control or use the Modern Forms app to save on energy costs, group fans to control together, or intuitively create schedules that respond to your behavior. Two simulated wood finishes contrast with the matte black or graphite housings for an understated look in interior or exterior spaces. Available optional LED luminaire sold separately.

FEATURES

- Modern Forms Fans pair with the smart home tech you know and love, including Google Assistant, Amazon Alexa, Samsung Smart Things, Ecobee, Control 4, and Josh.ai.
- Integrates with smart home devices you already own, including Google Assistant, Amazon Echo, & ecobee for voice command and energy savings
- Bluetooth remote control included (Part# F-RCBT-WT). Optional wall switches are available for 3 or 4 way setup (Part# F-WCBT-WT).
- Additional battery operated Bluetooth hand-held remotes are available (Part# F-RCBT-WT)
- Silent DC motor runs 70% more energy efficient than traditional AC motors
- 5 years LED module, 2-years for finishes, lifetime on the motor, 1 year for all other parts.
- Every fan is factory-balanced and sound tested to ensure each fan will never wobble, rattle or click.
